

Fill your life

Fill your life
with fragrance

Autumn/Winter

2020

AU/NZ-EN

Our lives are full when ...

Almost every time our grown kids come home and a Scentsy fragrance is warming, they start smiling and sharing stories — memories we made together, back when we all lived under one roof and the same scent filled the air.

When they're away and ask us for Scentsy, we know they're missing home. And when our family and the work we love come full circle, we feel a burst of gratitude that inspires us to share that joy with others. These are the moments that make our lives full.

How do you fill your life?

This season, we invite you to focus on the moments that fulfill you — whatever they may be. Laugh when you need a laugh. Rest when you need the rest. But take time to warm a new fragrance and write down all you are grateful for in a journal. Spend as much time in the sunshine as you can, but most of all, surround yourself with the people who make life full.

Love,

Heidi & Grille
