

SPRING / SUMMER

Open your eyes

Have you ever wondered how two people can look at the same thing, but see something completely different? We love this quote by Henry David Thoreau:

"It's not what you look at that matters, it's what you see."

Our perspective is shaped by 16 years of photo-worthy moments — and a few difficult memories we'd sometimes like to forget. But we've learned that struggle is what makes us strong, just like beauty makes us grateful. Love makes us compassionate. And fragrance makes us happy.

This season, we're shifting our focus inward — and we invite you to do the same. What lens are you applying to the world around you? What do you choose to see, and why?

When we take a moment to change our perspective, everything changes. Look for beauty in the world, and you'll see it. Daydream about what could be, and much more will become possible.

Take a look

Right now, something about Scentsy is drawing you in. Whether it's the beauty of our products, the friendship and support of our community or the possibility of something more, look closer.

What do you see?

Love, Heidi & Oxille
